### About This Game

Could you survive a zombie apocalypse?

"Zombie Exodus" is a thrilling 750,000-word interactive survival-horror novel by Jim Dattilo, where your choices control the story. It's entirely text-based--without animation or sound effects--and fueled by the vast, unstoppable power of your imagination.

It starts with a daring escape from your zombie-infested city, and it ends at Zombie Exodus, when a horde of zombies swarms outlying settlements like locusts.

Will you be a soldier, athlete, carpenter, minister, or scientist? Play as male or female, gay or straight, and even find romance in the post-apocalypse.

Are you ready for Zombie Exodus?

Extend Blessing

Salron the Sea God is in charge of all waters including oceans, rivers and lakes. Even the most seasoned sailors and pirates must please him and seek his shelter.

These items will have their crafting time reduced by -20 %

...s to reduce crafting time of certain

By activating the Altars, you can use the Fire Seeds to light the altars to get the Blessing of the Gods. Each fire lit can last for 10 days, and the blessing could reduce the crafting time of certain four types of items.
